CONFERENCES & EVENTS PROGRAMME

MIPIM INFLUENCES AND ACCELERATES THE TRANSFORMATION OF THE BUILT ENVIRONMENT

BETTER PLACES

User Experience

Improving the attractiveness of assets, workplaces and territories

In crafting a unique urban festival during 4 days in Cannes, MIPIM influences and accelerates the transformation of the built environment.

MIPIM is a catalyst for concrete solutions combining face to face discussions, thought leadership, development opportunities and global capital to drive change.

We connect and inspire the international real estate community to create more sustainable, liveable and prosperous places for all.

GREATER IMPACT

ESG / Decarbonization

Improving real estate sustainability

STRONGER PLACES

Business Efficiency

Improving real estate efficiency (management, transactions, marketing...)

6 STAGES

The Leaders' Perspective Stage

This is where inspirational leaders come and share their story and their perspectives, in an intimate setting

The Asset Class Stage

From office to residential, from healthcare to logistics and hospitality... Be sharp!

The Infrastructure Stage

Let's dig into the state of adjacent industries (energy, transport, water, waste, culture, data centres...) and their impact on real estate

The Geo Focus Stage

A deep dive into local markets, various formats to gain insights as well as new connections

Road to Zero Carbon Stage

Be pragmatic! No buzz, no dreams, just the most pragmatic approach to industry challenges. Programme in progress!

The Make It Happen Stage

How did you do this? Use cases, return on experience and collaboration stories take the stage here
