14-17 MARCH 2023
CANNES, FRANCE

MIPIM Co-Liv Summit 2023

Monday, 13 March, 13:00 - 22:00, Palais des Festivals, Cannes

Join the premier coliving event at **MIPIM 2023!** In partnership with **Co-Liv**, the leading global association of coliving professionals, the MIPIM Co-Liv Summit gathers **key players in the industry** to discuss **trends, best practices, and innovations.**

Network with **over 500 global real estate professionals** from the **shared living industry**, including **investors, developers, operators, architects, and consultants.** Don't miss out on the opportunity to be part of this landmark event and shape the future of coliving!

Agenda

Grand Auditorium
Stage and Verrière
Grand Audi

14:00 - 14:30

Coliving: Where we are today

Coliving in the year 2023: get from Co-Liv president Gui Perdrix and MIPIM director Nicolas Kozubek an overview of the most recent development, what is at stake in today's coliving industry and what you can expect during the MIPIM Co-Liv Summit conference.

Grand Auditorium
Stage and Verrière
Grand Audi

14:30 - 15:00

Coliving: The future of coliving

In this inauguration keynote, Luca Bovone, Founder and CEO of Habyt, the world largest digital housing platform, will give insights into their growth and business model, explain the current coliving landscape and share insider knowledge on industry trends.

Grand
Auditorium

15:00 - 15:20

Coliving: Strength in its flexibility and multiplicity

Uncover the latest trends and innovations in the coliving sector as industry leaders and emerging players discuss the diverse landscape of markets, niches, and cross-overs. From sustainable living and social impact to addressing the housing crisis, gain insights on the demographic and economic drivers fueling the growth of coliving. Join the conversation on the role of technology, cultural changes and the sharing economy in shaping the future of everyday living.

BUSINESS.**

**Grand Auditorium
Stage and Verrière
Grand Audi**

18:00 - 18:30

Coliving : Exploring the growing coliving appetite

Learn from successes and failures: key operators will demonstrate best practices on maintaining the growth of coliving while overcoming the obstacles and mistakes that are made in the process.

**Grand Auditorium
Stage and Verrière
Grand Audi**

18:30 - 19:00

Coliving: How can architecture and design help address systemic inequalities?

Can shared living help address the rising inequalities in the housing market? Perhaps it's not the "product" as it is being developed today, but what if coliving was actually a first step towards exploring how architecture and design can help housing evolve for a more balanced future?

**Grand Auditorium
Stage and Verrière
Grand Audi**

19:00 – 22:00

Closing remarks, networking and cocktail party

Connect with fellow coliving professionals around drinks, food and music in an intimate setting. Discuss your key findings from the conference, meet your future business partners, and end the day on a social note.
